

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

MITARBEITER:IN FÖRDERMANAGEMENT

Klagenfurt | full time

You are interested in technological innovations, cloud services and artificial intelligence and are very familiar with current tech trends. You convince with your strong communication skills as well as a high quality awareness and enjoy handling several parallel projects and tasks.

#PROFILE

As a Funding Specialist at Anexia, you will develop research project outlines and prepare workshops with leads, clients, and public stakeholders. You will be responsible for research funding projects from conception, submission and implementation to invoicing. You act as the interface between strategic business development and (funding) technical implementation. In cooperation with your colleagues, you will be responsible for the entire product life cycle, from conception and pilot phase to the ongoing development of mature products with appropriate funding instruments. You always keep an eye on the strategic goals, the timeline and the development budget and continuously communicate with colleagues, customers and public stakeholders in order to achieve the optimal result. Tasks such as reporting, resource planning and project controlling are also part of the multifaceted area of your responsibility.

#WANTED

- Completed economic or technical education as well as experience in the funding area, especially in the conception and implementation of funding projects
- Know-How in the area of Internet of Things and Data Science
- High quality awareness as well as an independent, structured and accurate way of working
- Strong communication and teamwork skills
- Professional language skills in German and English (spoken and written) regarding research applications

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a

mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
