anexia

+ BE YOURSELF – BECAUSE THAT'S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That's because we see ourselves as the **"Digital Transformation Engine".** And how do we succeed in this mission? It's simple. We are a family of facilitators with innovative ideas. We're capable of, want to, and allowed to make things happen. That's what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

FRONTEND DEVELOPER (M/W/D)

Vienna, Klagenfurt, Graz, Karlsruhe, Remote | full time

Front-end development is in your heart and you are delighted to see how your software can help making things even faster, easier and more understandable for many thousands of customers. Are you motivated and a team player? Then Anexia is the right place for you!

#PROFILE

As part of the development team, your focus will be on the development of our self-service tools for customers and employees (customer relationship management (CRM)). In this position you will lead the modernization of our internal and external frontends. Your expertise in Javascript frameworks is valuable to help us transform raw CSS, JavaScript (jQuery) into modern technologies. You will work as part of a team, but also independently on complex tasks.

These are the technologies we use:
- HTML 5, JavaScript (jQuery), Bootstrap.

Project management and documentation
- Jira and Confluence

Source code versioning, build and deploy
- Gitlab, Gitlab CI/CD

Development environment (IDE)
- PhpStorm (JetBrains)

Test system
- Bash, Ansible, Docker

#WANTED

- Very good experience with at least one of the following JavaScript frameworks: Vue.js, React, Angular or similar
- Familiar with basic technologies such as JavaScript, HTML and CSS
- Experience with usability
- Basic knowledge of the PHP programming language as well as database systems and (NO) SQL languages is a plus
- Experience with Linux, understanding of the interaction of network, server services, operating systems and in general the hosting industry is an advantage
- Interest in and willingness for technical training
- Experienced in the use of APIs
- Good German and English skills, both written and spoken

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 44.660€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
