+ BE YOURSELF – THAT'S HOW WE WANT YOU TO BE +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That's because we see ourselves as the **"Digital Transformation Engine".** And how do we succeed in this mission? It's simple. We are a family of facilitators with innovative ideas. We're capable of, want to, and allowed to make things happen. That's what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

JUNIOR SYSTEM ENGINEER ISP (M/F/D)

Klagenfurt | full time

Are you a passionate and motivated system engineer who is interested in new technologies and has a distinct sense for quality? Then Anexia makes for a great match!

#PROFILE

In this position, you will support our customers via e-mail, telephone, ticketing system and remote maintenance. Together with your team, you will be responsible for ensuring the operational stability and quality of the ISP systems. This includes 1st and 2nd level support as well as maintenance of existing infrastructure. You enjoy configuring client services, monitoring systems or web hosting servers (Apache, NGINX, etc.). Conceptual design, development and integration of new solutions into existing customer systems as well as collaboration on engineering projects complete the exciting range of tasks. If you are a team player, you will be sure to enjoy working with our motivated and agile team.

#WANTED

- Completed education, preferred in technical field
- Good knowledge of the current Linux operating systems
- Good troubleshooting, documentation, and analytical skills
- Knowledge of the current Microsoft client and server versions
- Basic network and firewall knowledge
- Experience in the ISP sector (Web hosting and MX servers, SSL certificates, domains + DNS, e-mail boxes, anti-spam solutions, DSL lines, VoIP, etc.)
- Team spirit, open minded, with enjoyment of direct customer contact
- Excellent German and English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 28.000€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook for work and private use, snacks and drinks, company cars, employee events, a fun corner, ...
