SYSTEM- UND NETZWERKTECHNIKER IM DATACENTER (M/W/D)

Vienna | full time

You are a hands-on person, you like challenges and you enjoy solving problems in an analytical and structured way. Structured cabling and efficient rack design are in your blood and you are always looking for the best solutions.

#PROFILE

In this position, you are responsible for the operation of our own DATASIX data centre together with your colleagues. This includes error analysis and troubleshooting, administration and operating activities of the data centre components. You believe in comprehensive documentation and "Netbox" is familiar to you. You regularly inform yourself about new data centre standards and new technologies. You do not shy away from complex maintenance work, and you also master demanding challenges with confidence. You work independently, are a true team player, ask the right questions and are not afraid to break new ground and learn from your mistakes.

#WANTED

- Basic knowledge or first professional experience in the field of network technology (structured cabling) is an advantage
- Knowledge of hardware (client, server, storage) and network technology (switching, routing), are preferred
- High motivation to learn
- Analysis and problem solving skills as well as a systematic and logical way of working
- Knowledge of electrical engineering as well as manual skills
- Very good German and good English skills, both written and spoken

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 32.900€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
