

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

## SENIOR INFRASTRUCTURE MANAGER (M/W/D)

Remote | full time

As a Senior Infrastructure Manager at Anexia, you will be responsible for a global network of 90 locations, manage our suppliers and develop our network. In a team of highly motivated colleagues, we work every day to make our infrastructure more efficient, reliable and cost-effective. Our goal is to be at the cutting edge of technology and always strive for the best solution.

### #PROFILE

With our Backbone Europe and a new infrastructure blueprint, we have created the foundation for our further development in terms of infrastructure. Your job is to manage our data centre and connectivity suppliers. You will take a leading role in the global rollout of our network and cloud infrastructure, selecting our suppliers, negotiating the relevant contracts and managing our sites from contract signing to final go-live. To stay up to date and have the best market overview, you regularly attend events and conventions and keep up to date with our contacts and partnerships.

## #WANTED

You have many years of experience in infrastructure purchasing as well as project management on an international level, which you have proven in business over the past years. You understand the market, have a large network of contacts and are experienced in handling contract-related tasks. You work in a structured and efficient manner, the preparation of regular reports and decision papers comes easily to you.

- The strategic development of the IT infrastructure is your business
- You are experienced in the selection of suppliers in the area of Data Centre & Connectivity
- Negotiating and reviewing supplier contracts/MSAs are part of your daily business
- Creating and maintaining documentation and working in a ticket system is a routine task for you
- Invoice verification and approval is part of your job
- Regular supplier reviews for quality assurance are part of your job

You work independently, are a true team player, are target- and future-oriented and are not afraid to break new ground and learn from mistakes. You have a high willingness to travel and feel comfortable at events. You have a class B driving licence, a clean record and speak fluent English.

## #REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

### salary range

### Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
