

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the “**Digital Transformation Engine**”. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SYSTEM ENGINEER - INFRASTRUCTURE (FOKUS VIRTUALISIERUNG) (M/W/D)

Klagenfurt, Vienna, Remote | full time

You have the desire and determination to constantly expand your knowledge and get acquainted with new issues and tasks. You view complex problems as a challenge and enjoy finding solutions. Then Anexia is the right place for you, because we want to make our customers happy and constantly develop ourselves.

#PROFILE

You and your team will be responsible for ensuring secure VM operations on our global **virtualization** platform. In this role, you will handle a variety of tasks in designing, planning, and optimizing the **IT infrastructure**, with a focus on **virtualization**. Your responsibilities will include everything from capacity and configuration management to proactive monitoring, troubleshooting, automating routine processes, and implementing new requirements. You will also be in charge of the administration and advanced development of virtualization environments (such as VMware). Ideally, you should be a self-directed worker who handles complex tasks with ease. If you are a **team player**, you will be sure to enjoy working with our motivated and team

#WANTED

- Several years of experience in the operation and administration of VMware environments
- Experience with scaling and high-availability solutions (DRS, HA)
- Understanding of the interactions between virtualized infrastructures such as networks and storage
- Knowledge of scripting is a plus
- Strong focus on the client as well as independent, reliable working habits
- Very good spoken and written command of both German and English

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
