That's because we see ourselves as the **"Digital Transformation Engine".** And how do we succeed in this mission? It's simple. We are a family of facilitators with innovative ideas. We're capable of, want to, and allowed to make things happen. That's what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SOLUTION ARCHITECT / PRESALES CONSULTANT (CLOUD SOLUTIONS) (M/W/D)

Vienna and Cologne | full time

As an IT all-rounder, you enjoy developing IT architectures for different objectives. You have the desire and determination to constantly expand your knowledge and get acquainted with new issues and tasks. Are you motivated and communicative team player with a distinct sense for quality? Then Anexia is the right place for you, because we want to make our customers happy and continuously improve.

#PROFILE

As a Presales Engineer/Solution Architect in a genuinely motivated international team, whose mindset extends beyond the borders of Austria, you will be supporting our sales team in developing innovative solutions for our customers. This role also involves developing the right combination of **on-premises infrastructure** and **cloud solutions**, dimensioning the appropriate solution, and jointly working out a price model. You know exactly how to visualize and describe your **concept** and are not shy about presenting your ideas and solutions to our customers. As a Presales Engineer/Solution Architect, you will understand the importance and implications of your work, and thereby have a **high level of quality awareness**. Your input and ideas will contribute to everyone's success and be particularly important when dealing with challenging and multifaceted tasks. If you are a team player, you will be sure to enjoy working with our motivated and agile team.
