

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

## FRONTEND DEVELOPER (M/W/D)

Klagenfurt, Vienna, Graz, Karlsruhe, Remote | full time

Are you characterized by your independent and reliable way of working and do you love tinkering with challenging developer questions? Then our team is the right place for you, because we want to make our customers happy and continuously improve.

### #PROFILE

Working for us, you’ll develop complex business applications based on Angular, Ionic and TypeScript. While implementing projects, you’ll work together with Anexia customers to find solutions – all while staying in constant contact with our backend developers. You are enthusiastic about complex user interfaces for desktop and mobile. In doing so, you’ll oversee projects all the way through – from concept to application architecture, implementation, and release. With us, a project manager is always there to help you and will support you in your independent work. Besides Python and Django, are TypeScript and Angular also coming naturally to you? Perfect! We always welcome FullStack developers!

## #WANTED

- Several years of sound experience with JavaScript or TypeScript
- Skilled in dealing with Angular, React or VueJS and handling of APIs (REST, GraphQL)
- Experience dealing with version control systems (in particular Git)
- Solid knowledge of HTML5 und CSS3
- Experience with Linux (including development in Linux) as well as an understanding of the interaction of network, server services and operating systems in general are advantageous
- Experience with server-side frameworks like Django or Laravel desirable
- Ability to work in a team, motivation and self-interest
- Very good spoken and written German and English skills

## #REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

### salary range

min. 52.100€

### Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
